Partner Reviews

"Professional and courteous staff that stayed in contact during the repair process. Upon completion the laptop functioned better than new. I will certainly use Magoo and Associates for any further technology issues."

- Wyatt H.

"They were able to repair my keyboard when others wouldn't even try. They are upfront and honest in what they say."

- Chris T.

"Subject matter experts when relating technological solutions to business needs! Customer service second to none!"

- Steven F.

"I would like to thank Magoo for a pleasant experience. He was more than friendly and very professional to work with. I would recommend anyone to Magoo & Associates. Thanks again!"

- Dalton R.

"We believe that " Magoo & Associates " has provided us with prompt, courteous, reasonably priced services that we have found to be very helpful with a home-based business."

- Michael J.
