MAGOO.TECH

**\$55.00
Monthly**

Based on a 12 month commitment with monthly draft. Price and service for covered machine only. Cloud storage is additional at \$.08/gb/mo. Support limited to 5 hours per ticket and service delivered remotely. Available for partners with less than five windows workstation devices. Helpdesk (tier I) support included 8-5pm on standard workdays.

We use Magoo and the service is always great. Easy to submit tickets and they are very fast in responding.

S Myers

Magoo & Associates has been super helpful with all my issues and work. They never fail to work with me!

C Coble

The team at Magoo have been great to work with. Very knowledgeable and friendly. Explains things very well. Would highly recommend.

N Thacker

We've been with Magoo for years and wouldn't trust our security needs to anyone else.

S Martin

Magoo is great to work with! They are fast and efficient and very knowledgeable about their craft.

A Ruckman

Awesome company to work with! Very professional staff! Would highly recommend!
